

GEF Course Rubric

- A GEF course must be open and available to all students, regardless of home unit or level of study, and offered on a regular basis.
- The level of learning required by the course should be appropriate to the introductory nature of the GEF.
- A GEF course must be appropriate to the current or proposed GEF Area.
- A GEF course must identify a Student Learning Outcome that aligns with the GEF Area.
- A GEF course's assignment(s), as identified in the application, must align with supporting assessment of the selected GEF SLO.
- A GEF course must adequately communicate the relevance of the selected GEF SLO to students in the course.
- The SLOs of a GEF course must be clear, measurable, and suited to the level of learning in the course.
