

Petition for the Constituency of the College of Creative Arts and Media

(For Faculty belonging to Reed College of Media, the College of Creative Arts, and the Davis programs of Design Studies, Fashion, Dress and Merchandising, and Interior Architecture Only)

We, the undersigned faculty of the current colleges and programs named above, in recognition of the impending merger of said colleges and programs to become a new College of Creative Arts and Media, do hereby request that the new College be designated as a new constituency as outlined in the Faculty Senate Constitution.

If approved by the Faculty Senate Executive Committee and the full Faculty Senate, the two current colleges would then be abolished before the new constituency of the College of Creative Arts and Media becomes effective on July 1, 2024.

Q2 - Typing your name in the space provided will serve as your digital signature to this petition.
