BOG RULE 4.7: KEY PROVISIONS
KEY PROVISIONS OF BOG RULE 4.7

- A Faculty RIF may occur in response to institutional reorganization as a result of a Program Reduction or Program Discontinuation or a Financial Exigency.

- A Faculty RIF may result in a tenured, tenure-track, teaching track or service-track faculty member’s appointment being terminated.
The Provost’s Office, Dean’s Office and departmental Chair, with assistance from Talent and Culture and advice from the Office of General Counsel, will work collaboratively to develop a RIF Plan. The plan will detail which faculty members will be asked to remain and which will be subject to the RIF.

This review process will evaluate performance, knowledge and qualifications and seniority of each faculty member within a program subjected to reduction or discontinuation.

A RIF Review Committee shall consider and approve the RIF Plan before implementation a Faculty RIF.

Members of the University RIF Review Committee include representatives from the Provost’s Office, Strategic Initiatives and Talent and Culture with advice from the Office of General Counsel.
The University **may** offer a **severance package** to a faculty member who is impacted by a **RIF**, if financially feasible.

If WVU offers a **severance package**, the University shall provide the employee **45 days** from the **date of receipt** to consider the **terms and conditions** of the agreement and to accept the **severance package**.

Additionally, after an employee executes a **severance agreement**, that employee maintains the right to revoke that execution and void the **severance agreement** for **seven days** after execution.

Any **severance agreement** shall contain a statement indicating that the faculty member releases all claims against the University.

If a faculty member chooses not to execute a **severance agreement**, WVU still may move forward with the **RIF**.
PROPOSED AMENDMENTS TO BOG RULE 4.7
PROPOSED AMENDMENTS TO BOG RULE 4.7

Section 2.2

Clarifying that faculty should be involved in the academic review process, which could lead to a RIF plan for that program, as opposed to the formulation of the actual RIF plan, to ensure that faculty provide input early in the process.

Section 3.1

Eliminating the affirmative obligation to offer a first right of refusal to a RIF’d faculty member of another faculty position that becomes vacant that the RIF’d faculty member is qualified.

Replacing that language with the fact that RIF’d faculty members are encouraged to apply for any new or open positions through the normal University hiring process.

Eliminating any potentially implied obligation of the University to retrain faculty members to be qualified for other faculty positions.
PROPOSED AMENDMENTS TO BOG RULE 4.7

Section 3.2

// Clarifying of the Dean’s role and the Office of the Provost’s role in the creation of the RIF plan (i.e., the Dean’s Office and Provost’s Office will work together to create the RIF plan for a program).

// Clarifying that a RIF determination is made based upon a holistic assessment of the three factors: performance, knowledge and qualifications and seniority.

// Clarifying that seniority will be calculated by the length of service as defined by the rules established for the calculation of years of service outlined in WVU BOG Talent and Culture Rule 3.7 - Annual Increment.
PROPOSED AMENDMENTS TO BOG RULE 4.7

Section 3.3

Clarifying that all notifications will be communicated to faculty through their WVU email account instead of regular mail.

Section 5.2

Eliminating: “Generally, the value of the severance package should be equivalent to one year of the Faculty Member’s annual base pay.”

Replacing with: “The amount of severance that a Faculty Member may be offered will be determined based upon a schedule approved by the Board.”

The original language is permissive and does not require that a severance package equate to one year of salary (meaning 9-month faculty’s annual base salary). Through the notice period and severance payments, the proposal severance schedule would allow an individual to receive between eight and 10 months of pay.
PROPOSED AMENDMENTS TO BOG RULE 4.7

Section 6.9

Clarifying that Program Reduction may include reducing tenured, tenured-track or certain faculty positions with multi-year contracts.
OVERVIEW OF FACULTY SEVERANCE PACKAGE INFORMATION
Faculty severance packages are only available to tenured, tenure-track and teaching/service-track faculty (regardless of contract end date).

Through the notice period and severance payments, an individual would receive between eight and 10 months of pay. Note: Most faculty positions are nine-month positions.

Assuming a notice date of Oct. 16, 2023, with a contract end date of May 9, 2024, faculty would have 30 weeks of notice.

We are finalizing a detailed faculty severance package schedule that will be presented to the Board of Governors and subject to a public comment period. Severance payments likely will range from two through 12 weeks of the faculty member’s base salary, payable in biweekly installments, starting after May 9, 2024.

The specific amount would be calculated based upon faculty position type, years of service and contract end dates.

If an individual leaves before their employment end date, they waive the right to their severance payments.
FACULTY SEVERANCE PACKAGE

Research-Track, Library-Track and Lecturer

- Non-renewal of appointment notification will be given as soon as possible, but a minimum of 60-days' notice will be provided if possible (for those ending in 2023) and in the September/October timeline for those ending on May 9, 2024.

- If less than 60 days before appointment end date, a limited short-term appointment may be given to reach 60-days’ notice.

- Employees in this job type are employed on annual appointments and are otherwise employed at will. Severance will not be offered.
FACULTY SEVERANCE PACKAGE

Individuals Needed to Teach Out Beyond May 2024 – Retention Bonus

- We would like to incentivize selected individuals to stay through end of the teach-out period (approximately two to three additional years depending on the program).

- All tenured, tenure-track and teaching/service-track faculty asked to remain through a teach-out period (if they remain the entire time) will receive a retention bonus equivalent up to 12 weeks of their base salary. This also will serve as their severance payment.

- If an individual leaves before their employment end date, they waive the right to their retention bonus.
