

Campus Safety

The WVU Police are committed to creating and maintaining a safe learning environment for all students, faculty, and staff. Part of this mission includes educating the campus community on how to respond to potential campus threats, such as the threat of an active shooter on campus or other suspicious behaviors. Fortunately, WVU Police offer training – both online and in-person - on how to handle a variety of campus safety scenarios. All students are encouraged to visit the webpage (<http://police.wvu.edu>), in particular the content under the Active Shooter training program (<http://police.wvu.edu/training/active-shooter>). Students are also encouraged to report any suspicious behaviors on campus using the Report a Threat portion of the webpage <http://police.wvu.edu/special-notice/threat-assessment>. Additional materials on campus safety prepared by WVU Police, including specific safety tips and training, will also be provided on our class eCampus page.
